Re: United States v. Christian Liverman,  
19 CR 761 (JPO)

Your Honor,

Mr. Liverman's sentence is currently scheduled for December 21, 2020. I would most respectfully request that his sentence be adjourned to a date in February 2021 that is convenient for the Court. The reason for this request is that I need certain documents and information to adequately prepare for the sentence and due to delays brought about by Covid I am not able to get these documents in a timely fashion. I have contacted AUSA Frank Balsamello and he has no objection to this request.

Thank you very much for your attention to this matter.

Most Respectfully,

David Touger, Esq.

Granted.

Sentencing is hereby adjourned to February 24, 2021, at 11:00 am.

So ordered.
